Greetings of the Homeland,

Subject: Special Information regarding the Woman  
Martyr Wafa Idris

On the night in which it was learned that the  
operation [note: the Jan. 27 suicide bombing in  
downtown Jerusalem] was carried out by Wafa  
Idris, yet before any group took responsibility for  
the attack, Col. Tawfik Tirawi made repeated  
telephone contacts with Wafa's older brother Khalil  
Idris.

Tirawi requested that the family not announce  
publicly that Wafa had committed the attack, but  
rather, that she had married and left for Jordan or  
elsewhere.

In return, Tirawi offered to facilitate Khalil Idris',

whose name appears on the 'wanted' list, to escape to Jordan. Khalil replied that he would not bargain in such a manner with his sister's blood under any circumstance.

Wafa Idris' family noted that in her last day, prior to her leaving the house, she showed no particular signs, and said that she was about to leave for Nablus and she might be returning late. She didn't indicate that she had no intention of returning at all.

تحية الوطن وبعد ،

الموضوع / معلومات خاصة حول موضوع الشهيد وفاء ادريس

في النبلة التي تم الكشف فيها عن منفذة العملية انها الشهيدة وفاء ادريس وقبل ان يتم تبني العملية من أي جهة قام مدير المخابرات العامة توفيق الطيراوي بالاحصال هاتفيا ولعدة مرات مع اخ الشهيد الاكبر خليل ادريس يطلب منه ان لا يتم الاعلان من قبل العائلة على ان وفاء هي منفذة العملية وانما هي تزوجت وسافرت إلى الأردن او إلى أي مكان اخر ومقابل ذلك يستعد الطيراوي ان يقوم بتقديم تسهيلات لخليل للسفر إلى الأردن على الرغم من انه في قائمة المطلوبين لدى الإسرائيليين وإجاب خليل بأنه لا يمكن ان يبيع دم اخته بهذه الطريقة .

وما تم تأكيده من قبل العائلة ان وفاء في يوم خروجها الاخير لم يظهر عليها أي دليل بانها ان تعود اما اشارت إلى انها ذاهبة إلى نابلس واحتمال ان تتأخر .

مع الاحترام
